On November 6 Susan Sawyer was crowned 1971 Homecoming Queen by last year's monarch, Shanna Miller. The crowning culminated a busy "Spirit Week," a time devoted to decorating the school halls with "A Carousel of Color" theme. The Spartans played a heart-breaking but hard fought game. That night the cheerleaders sponsored a dance presided over by the Queen and her Court consisting of Susan Kreska, Leslie Kruk, Ann Langenbeck, and Leslie Rogers.

cross country

This year's Cross Country team proved to be one of the most successful from Wyomissing Area High. Mr. Gottshall's runners finished with a 6-1-1 record, placing second in their section.

The Spartan harriers, paced by sophomores John Lundin and Curt Snyder, had consistency in seniors Marlin Siebach and George Heilman and freshman Bob Carrozza.

thoreau society

A new club was formed this year by students interested in hiking and camping. This club generated such great interest that it immediately divided into two separate units: the Junior Thoreau Society open to students in grades nine and ten, and the Senior Thoreau Society composed of students in the eleventh and twelfth grades. Each group holds one activity per month throughout the year.

international student committee

With a horseback rider,
a wrestler, and
a "wrestlerette" to
take care of, Inter-
national Student
Committee members had
a busy and enjoyable
year. Three film
festivals yielded
the funds for picnics,
parties, Ice Capades,
and a day-long meal
at Herculiani's.
Diligent work by the
members made possible
a gathering of the
regional exchange
students at WAHS for
a fun-filled AFS
weekend.

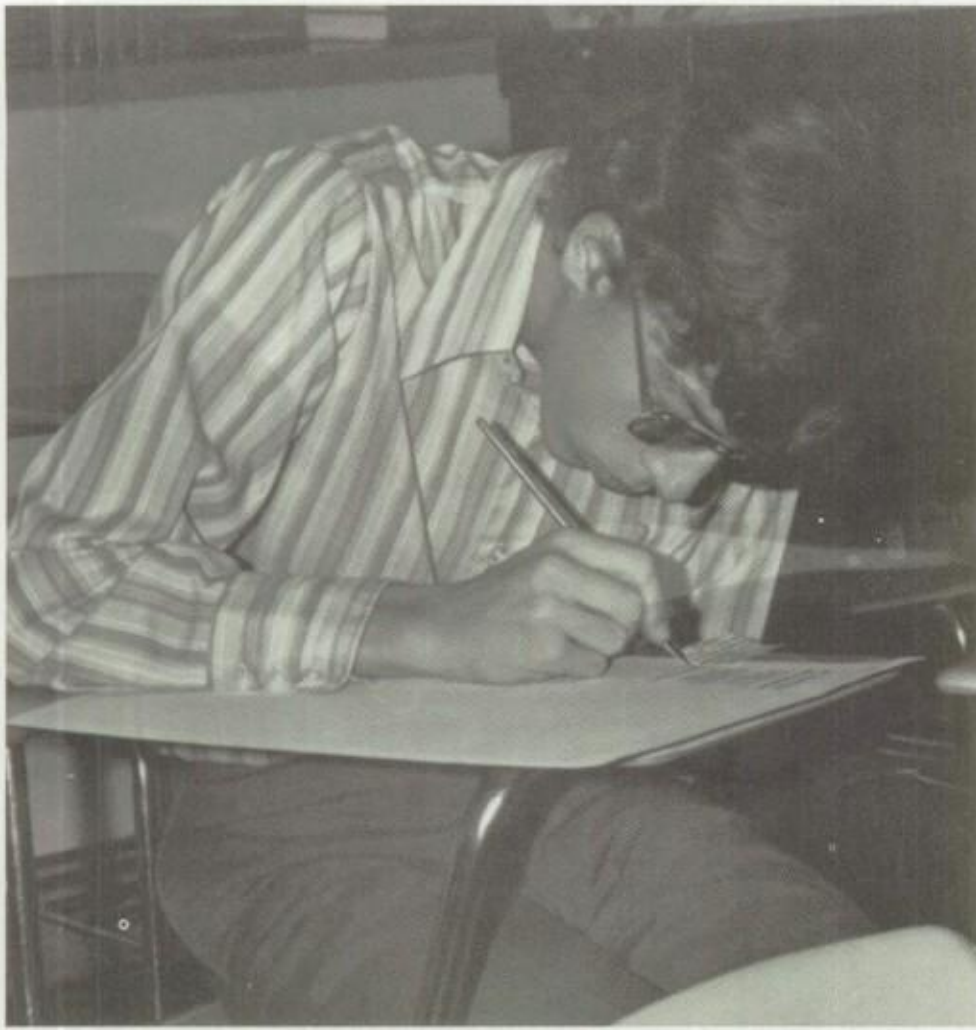

exchange students

Nguyen Thi Le Dung, or Zoomie as she is referred to by her fellow students, is the foreign exchange student from France. She originally came from Viet Nam. The family moved to Brest, France, in 1969. Zoomie came to America with the AFS program in August 1971. She lives with the Carabello family where she will be until July 1972. Zoomie's interests include art, music, cooking and sewing.

In January, Rocio Rendon, a native of Quito Ecuador, arrived in Wyomissing. She resided with the Frosts until the semester's end. As Rocio comes from a large family (three sisters and two brothers) it's natural that she likes people. This friendly South American quickly became involved in school activities.

Bernd Jungclaus was Wyomissing's German exchange student. He lived with the Lundin family. Fortunately, he did not have any language problems. In the Penna. Dutch country he could easily hide his slight German accent. Thus, "Bernie" adjusted rather well to the American way of life. He always remained the intelligent and sometimes outspoken observer of the American scene.

varsity basketball

The Spartan cagers, plagued by injuries and illnesses which hampered potential, compiled an impressive 17-5 regular season record. Although the Berks County Championship was not retained, the year held other highlights. During the 18th game of the season, Captain Mike DeCusatis scored his 1,000th varsity career point. On February 11th, Spartan seniors, Mike DeCusatis, Jeff Blaum, John Schaeffer, Ron Heckler, and Rusty Horner, were given special recognition before going on to beat Tulpehocken, a victory which qualified the team for the District III Class B playoffs.

hi-y

The Hi-Y club, lying dormant during the first part of the term, showed signs of awakening with the orientation of new members and the annual fall newspaper collection drive. In March, the club sponsored a Hi-Y-Faculty basketball game. Later in the month the boys journeyed to the Spectrum to view the 76ers.

y-teens

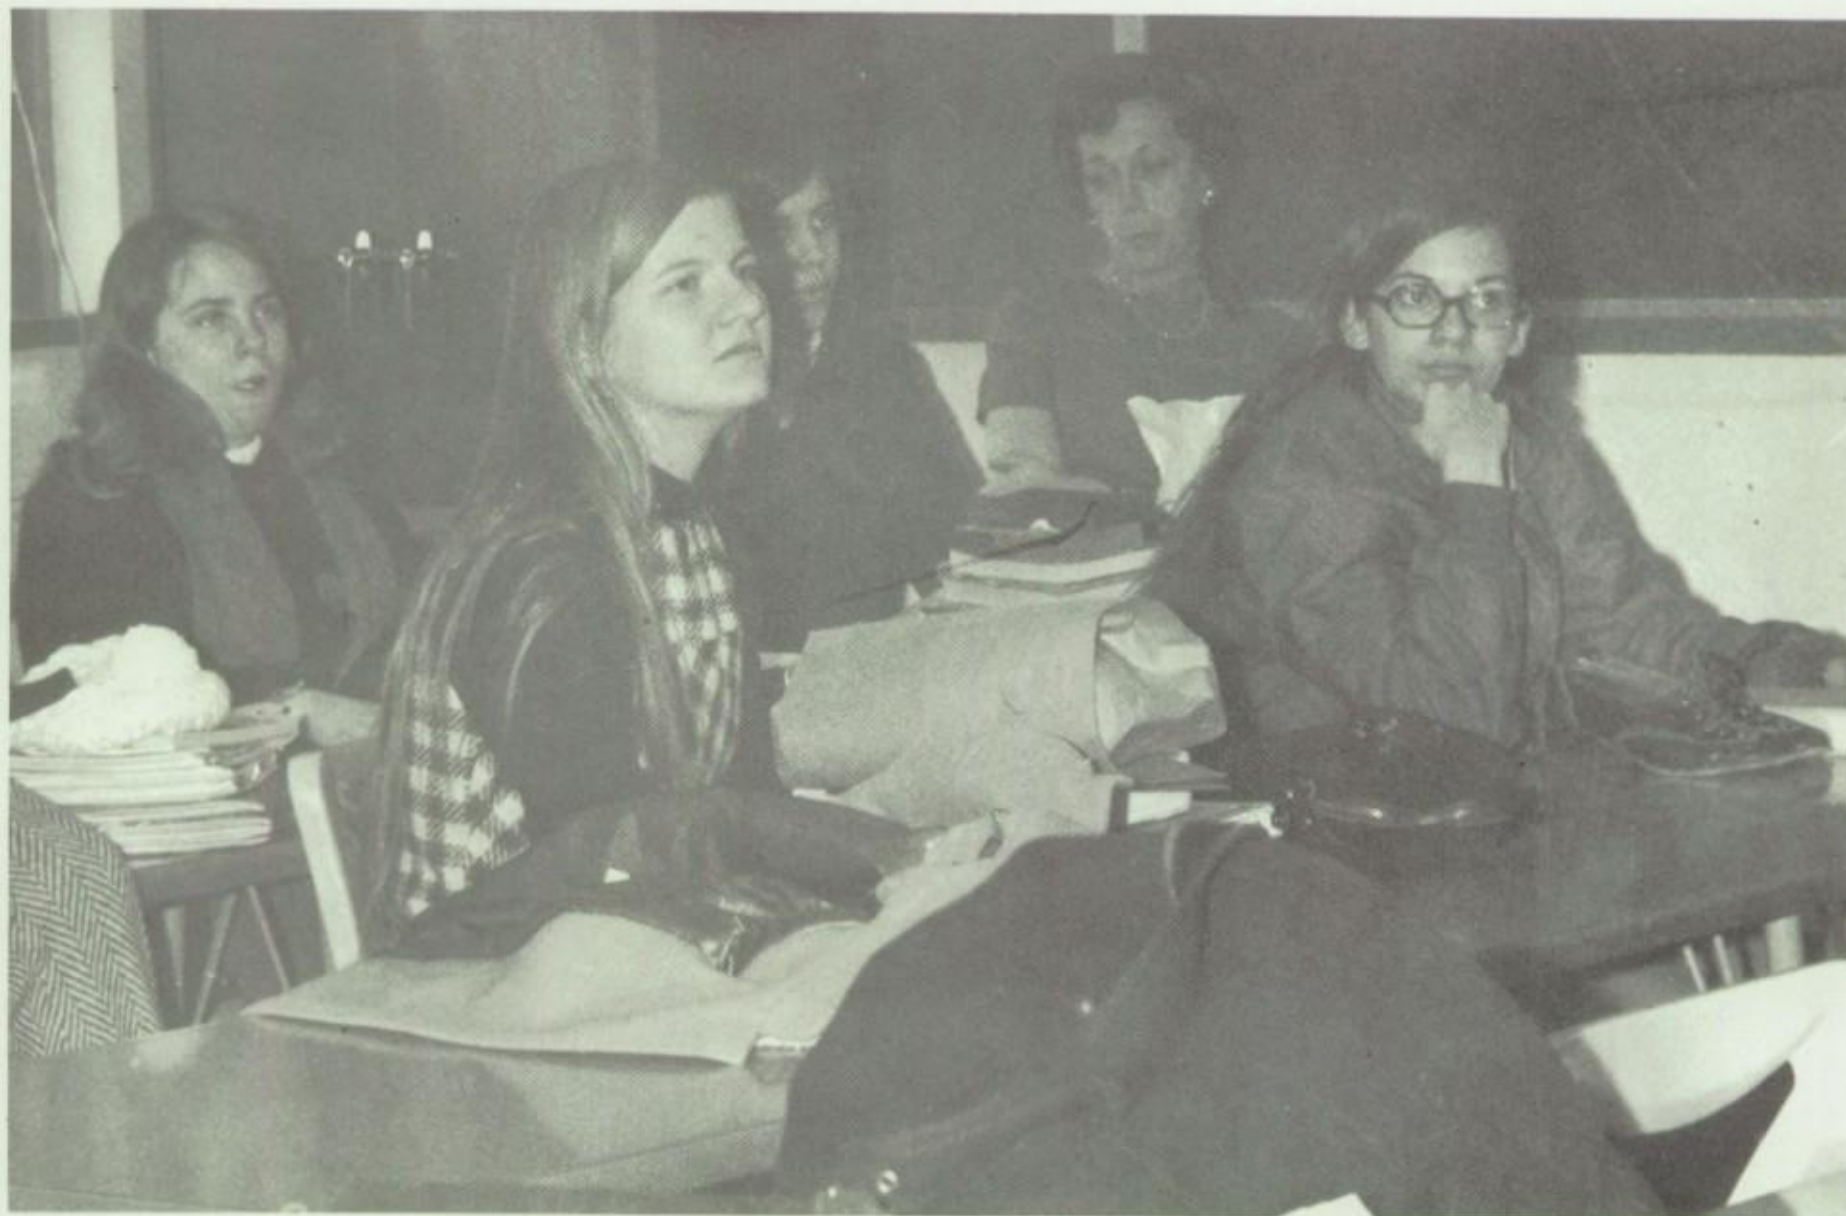

After starting activities with the "Winter Wonderland" of Interclub, Y-Teens settled down to a year of unpublicized service to many local organizations, including Berks Heim and CONFRONT, as well as UNICEF and the March of Dimes.

health careers club

The Health Careers Club has been functioning in high gear again this year. The girls started off with two guest speakers, a Dr. Nancy Shuman and a registered nurse from York Hospital. Before Christmas the club visited the children's ward at the Reading Hospital, where they decorated a tree and sang carols to the kiddies. The spring plans included guest speaker John Savage, a psychologist, and a tour of Lankenau Hospital in Philadelphia.

bowling

This year's bowling team, led by seniors Jack Braun, Mike Brannan, Greg Mengel, and Randy Hetrich, represented our school in the Berks County High School Athletic Association Bowling League. Although faced with very capable adversaries, our Spartan keglers did not become discouraged.

A winning attitude, typical of Wyomissing Area sports, made our bowling team formidable opponents.

media center

In association with the library the media center serves the school district with many audiovisual needs. In this compact area, student volunteers work to produce visual and audio aids for the students and the teachers to use, in and out of the classroom.

library club

The Library Club, advised by Mrs. Weskott, held a paperback book fair the last week of November, an event which turned out to be somewhat financially disappointing. Presently the club is planning a road rally, a trip to Kutztown in order to revive interest in the Teenage Library Association, and a spring sojourn in New York City.

art club

Frequently throughout the year, displays of real artistic merit lent a vibrancy to the foyers of the high school buildings. The homecoming float was the brainchild of Art Club neophytes. Another necessary activity was a candy sale to fatten the exchequer.

spring

french club

The French club, advised by Mrs. Hersch, held its traditional progressive dinner during the latter part of January. In the spring the club also travelled to New York where the members enjoyed the musical, *Fiddler on the Roof*, visited the U.N., and banqueted at L'Etoile.

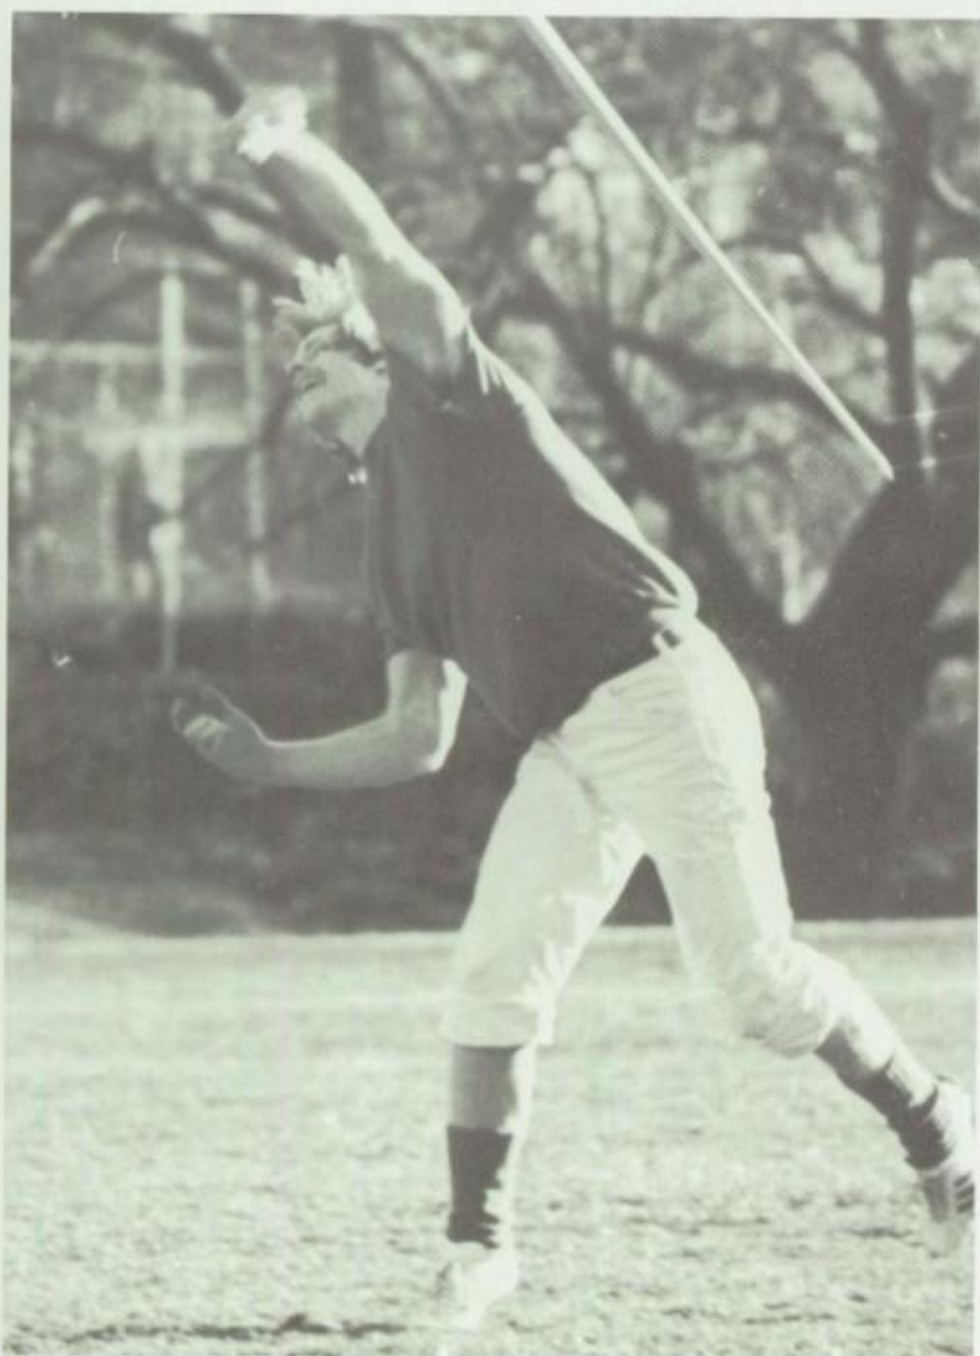

spanish club

The Spanish club kept itself busily engaged selling candy to raise funds for their New York trip. There they viewed *Jesus Christ Superstar* and toured the United Nations building. The piñata was the dominating motif at the annual Christmas party. A progressive dinner was held in March. Mr. Cataldo is the club's advisor.

The Chorus went to Washington D. C. this year to present three Christmas concerts. Their first concert in the old Senate building was enhanced by the nearly perfect acoustics. The other two concerts were presented for the "Pageant of Peace" on the Ellipse behind the White House. The Chorus felt it was a rewarding experience to be so honored. In addition to the annual Christmas and spring presentations, the group visited local institutions to entertain the guests.

future homemakers of america

The Future Homemakers of America, as a service project, gave an Easter party for the children of Headstart. In April the club attended an FHA rally at Governor Mifflin. The foreign exchange students of all the schools involved spoke at the rally. Bernie, Wyomissing's exchange student from Germany, presented a graphic description of his homeland and its culture.

student council

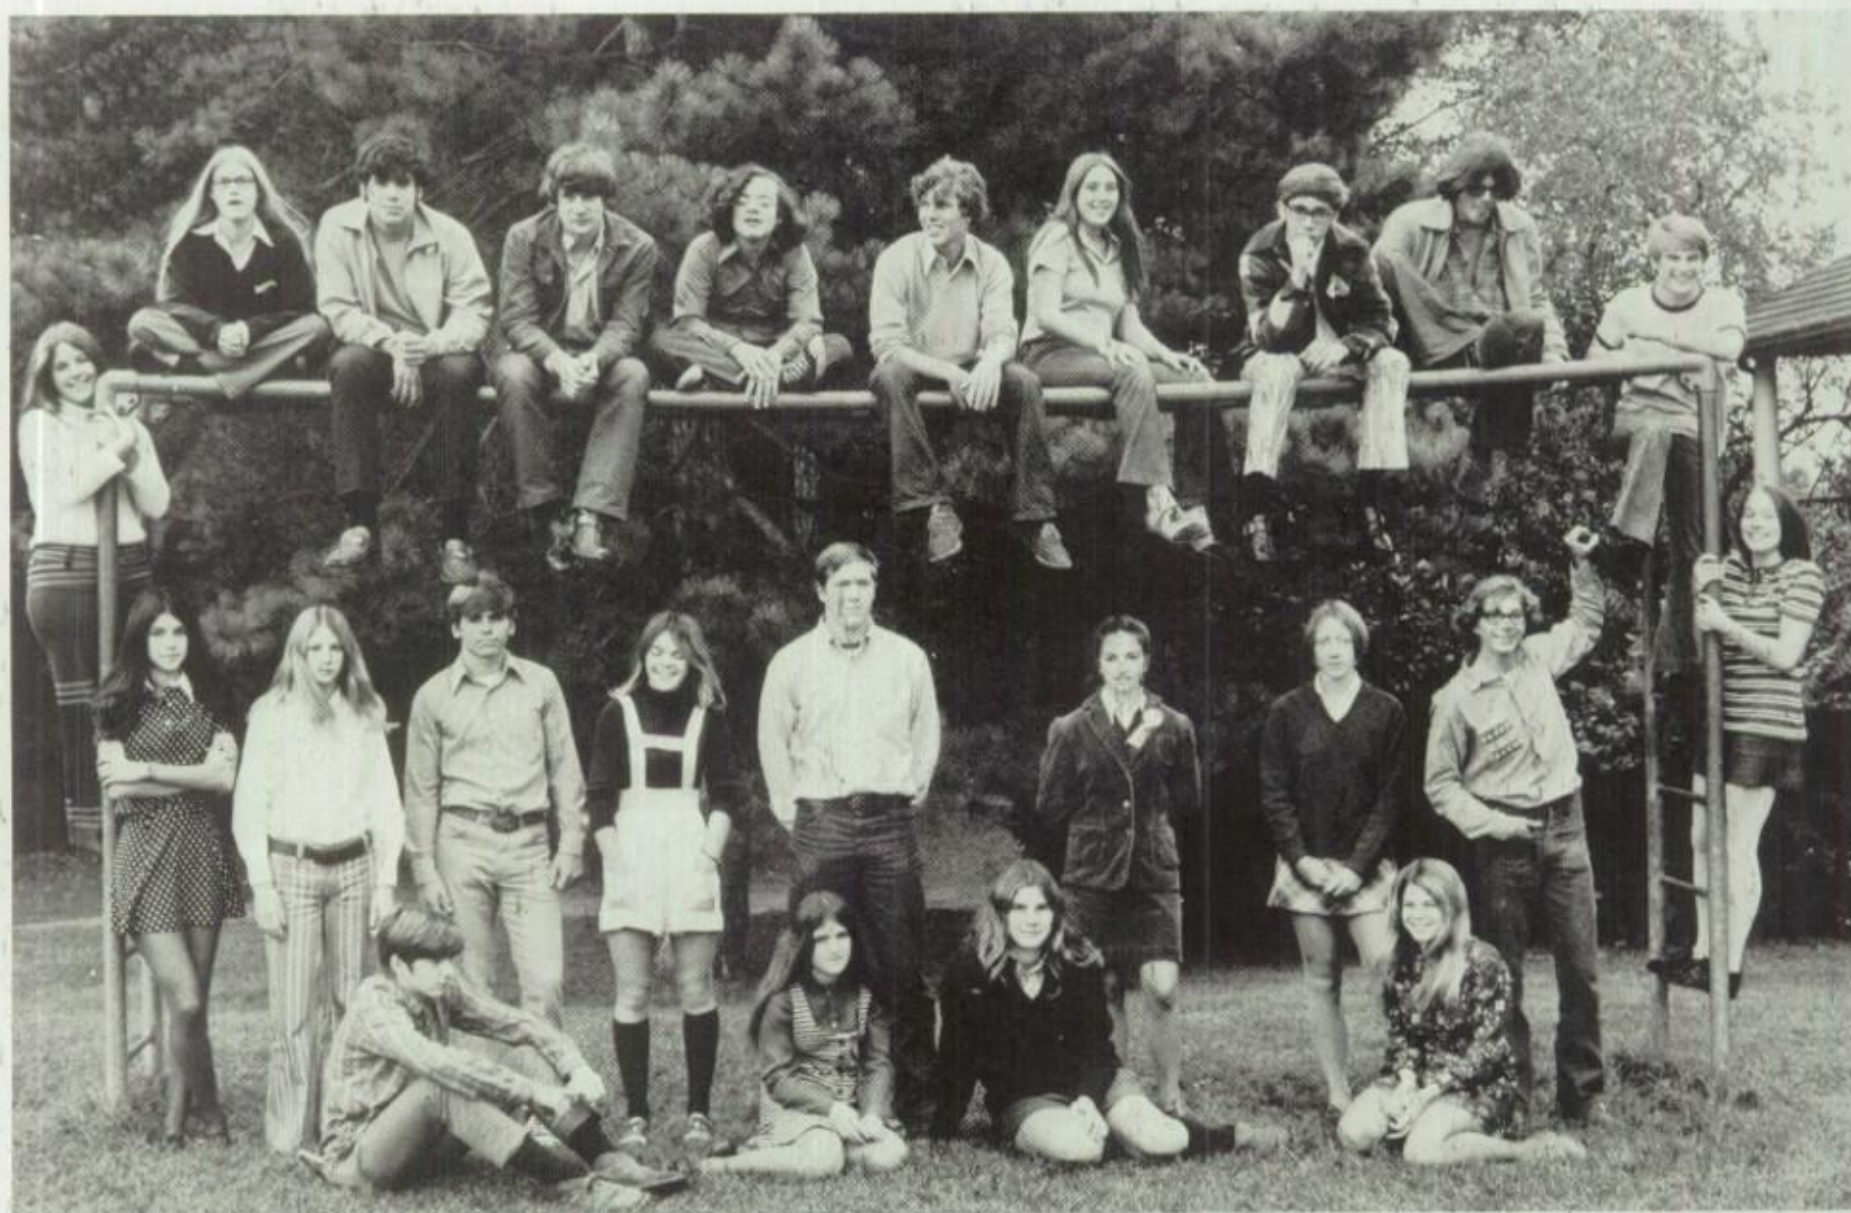

In its perennial functioning to improve our school as a place to live and study, Student Council, under President Jeff Steltz, provided Wyomissing with a smorgasbord of activities and services. These included grading and testing revisions, the Shaner Track Meet, and the first Wyomissing-sponsored tour of Europe.

"There is only one kind of love,
but there are a thousand imitations."

Francois de la Rochefoucauld

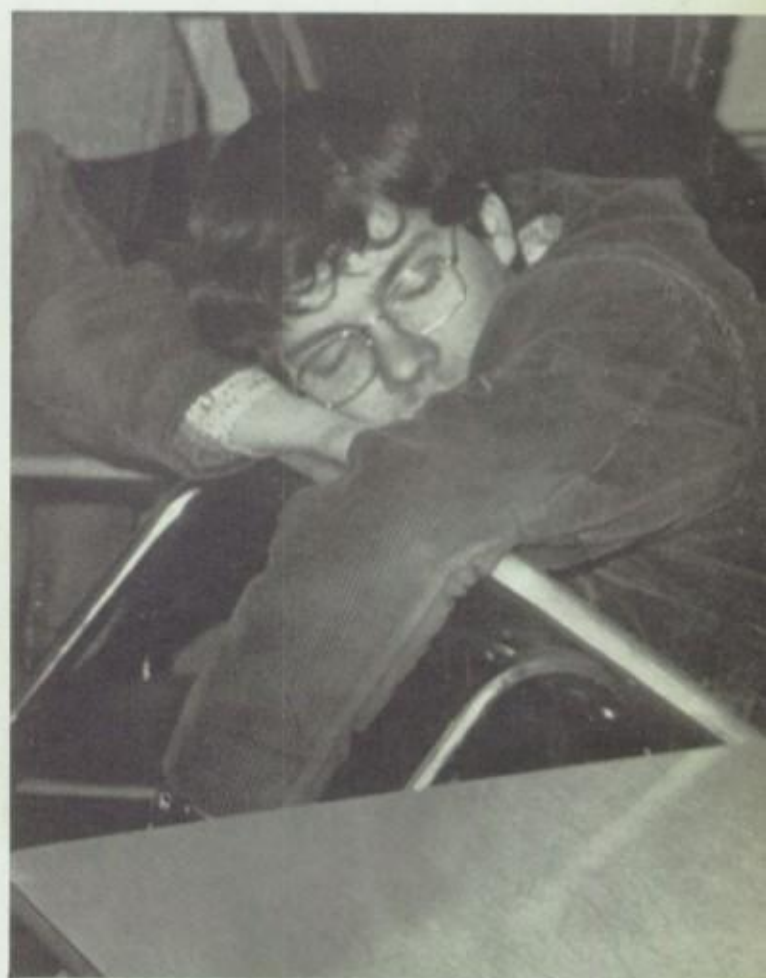

"Humility is the most difficult of all virtues to achieve;
Nothing dies harder than the desire to think well of oneself."

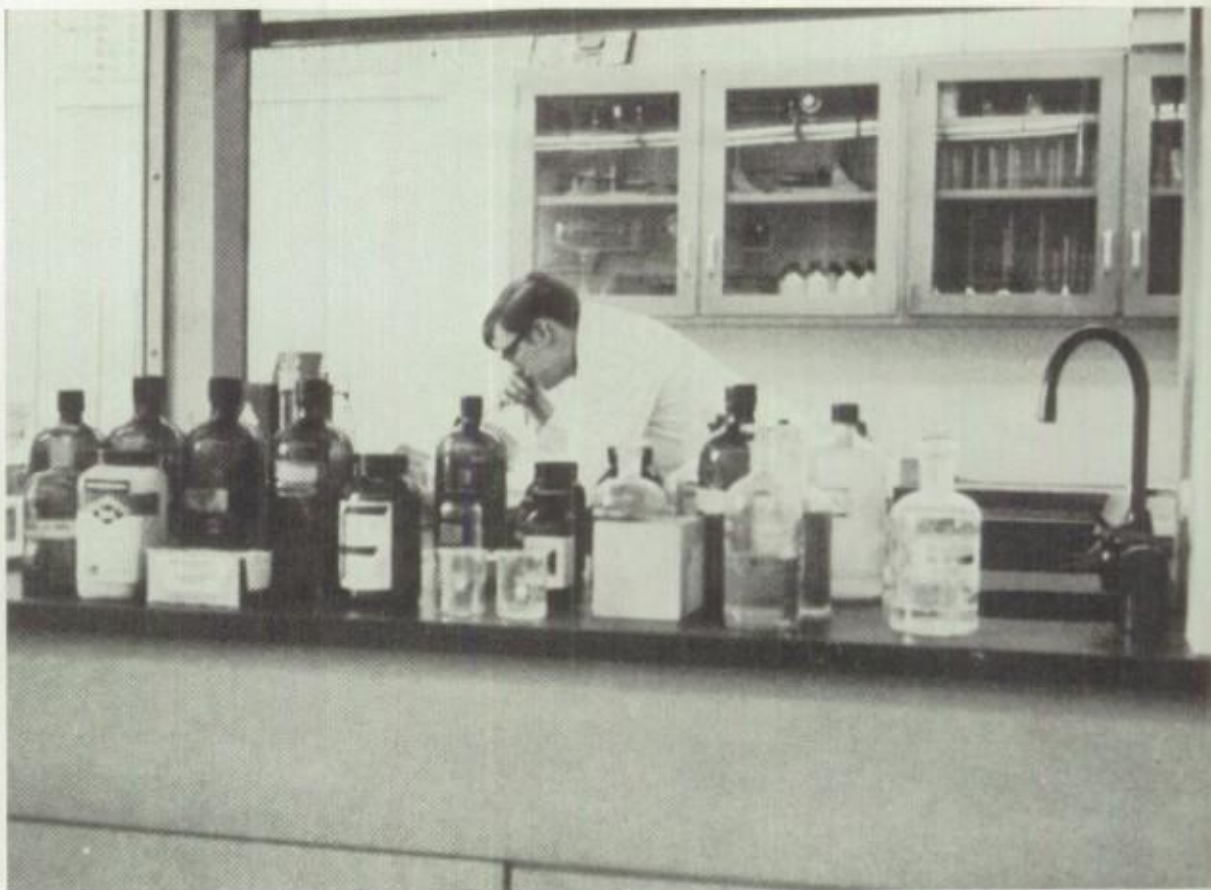

T. S. Eliot

My music encompasses all time and feeling
And reaches to the blue cathedral sky.
I play my song for the sunlit day, for friends
Who listen while I play.
Music.
This is my peace.

Bob Newman

"One's philosophy
is best expressed,
not in words,
but in the choices
one makes
in daily living."

Eleanor Roosevelt

JAN EDWARD HAWMAN
(1954-1971)

On June 16, 1971, the Class of 1972 lost a dear friend in Jan Hawman. It is in acknowledgment of the contribution he made to the class, as well as the potential the class lost with his death, that we, the Seniors, dedicate this page to Jan . . .

acknowledgments

Much of the quality of this 1972 *Colophon* is owed to the invaluable efforts of several people: Mr. G, in an almost unmanageable fund drive, Mr. Bell, in photographic advice, Mr. Love and Mr. Cellucci, in co-operation and understanding. Particular thanks are due to Messrs. Purdon and Rasbridge for their time and effort in the expert handling of the senior portraits. Most especially, to Mr. Milford, our deepest thanks for his guidance, control, and advice, as well as best wishes for the future chapters in his life. It is only through the work of these people, as well as the support and talent of an incredibly capable staff, that I have a book to sign. In my signature, I would that you see each of them.

I thank you world,
Peter A. Smith

To the ancient Greeks, the "kolophon" was an inscription placed at the end of the manuscript with facts relative to its production. The 1972 *Colophon* is an attempt to record the 1971-72 year at Wyomissing, and to do so in a manner both original and meaningful. The staff affixes this "kolophon" inscription as proud notice of an accomplished endeavor, in the hope that the student body will judge this book meritorious.
